

## NEWSLETTER | No.5 | July 2016

### 2016 season ... so far

We're more than half-way through the season and have most of our senior teams well placed for a strong tilt at their respective finals.

Congratulations to all for their efforts so far and good luck for the remaining games.

In our junior ranks, we are seeing plenty of growth, potential and, above all, continued improvement.

Norths encourages all players and their families to get down to the hockey centre and cheer on as many of the teams as possible, junior and senior.

As we move closer to finals, please ensure you continue to attend weekly training sessions.

### Mystery bus tour

A mystery bus tour has been organised for Friday, July 29 for senior club members (strictly 18+).

Details are close to being finalised so keep an eye on the club Facebook page for further information.

The theme is 'Back to the 1980s', so get ready to dust off the crimper, iron the stonewash and look fab in flouro. If you haven't registered your interest, please do so by contacting Ange McDonald from Div 1 Women as soon as possible. (We will need to finalise numbers).

### Pink day

Thanks to all who supported our pink day, be it with donations or just helping out. We raised \$500 for the McGrath Foundation.
