

## POSITIONS VACANT

### **Operations manager**

Hockey Albury Wodonga is seeking a suitably experienced and enthusiastic Operations Manager to oversee the administration and delivery of the hockey competition, support the board of Directors and communication with stakeholders including State organisations, Local Government and affiliated clubs. The successful applicant will have an understanding of Accounting procedures, managing multi-site venue booking, organise teams and users visiting the region and maintain membership records. Applicants should have excellent time management skills, experience in team sport management, media skills and knowledge as well as an RSA NSW/Vic. Remuneration will be based on the Sporting Organisations Award and be part time subject to the demands of the Hockey season.

### **Capital League Coaches**

Hockey Albury Wodonga is seeking suitably experienced Coaches for the Senior Men's and Women's Capital League sides for 2017. The applicants should have Appropriate Coach accreditation and the ability to develop and deliver a strategy to build on the achievements of 2016. The successful applicants will have played at similar level to HACT Capital league and have coached at least at Senior Division 1 with demonstrated communication capability. A payment for the Coaches will be agreed subject to agreed performance benchmarks.

### **Sports conditioning and assessment services**

The Board has recognised that overall athlete development would benefit from a program of strength and conditioning based on benchmark tests for representative players including Capital League. The added benefit is that coaches do not have to be as preoccupied with the fitness and physical development pre-as well as during the season recognising it is a specialist role. We are seeking Expression of Interest from providers of this type of service for the 2017. The successful applicant(s) will have proven capability and experience in providing these services at an elite athlete level.

### **Development resources**

The Board acknowledges player attraction and retention to hockey is key to the sports long term success. The Board is seeking Expression of Interest from experienced players and coaches who on a part time basis may assist clubs, visit schools and network in the sports community. It will be beneficial for the applicants to have similar experience and have achieved (or commit to undertake) at least level 1 Sports Coach accreditation and have a current Working with Children check.
