VALE

It has been a sad few weeks for the club and its members with the loss of several people close to our family.

We would like to remember Kleyn (Sam) Pereira who passed away in April. Sam was an inaugural member of the state league team.

Our past president Tracy Wood's son Mark sadly passed away in May and recently we were rocked by the passing of Neil Good and Jamie Drummond.

Please keep their families in your thoughts.

Black armbands will be worn in Round 1 as a mark of respect to these four individuals.
