

BECOME A LEADER IN THE SPORTS INDUSTRY

Undertake a dual Diploma

Diploma of Sport (Sport Development) SIS50319 & Diploma of Leadership and Management BSB50420

- + The program is developed and delivered in a unique collaboration between Richmond Football Club and Swinburne University of Technology and develops the next generation of sports industry leaders.
- + School leavers and mature aged students who are passionate about all types of sport, not just Australian Rules Football, are welcome.
- + Students will be required to attend face-to-face classes three days per week.
- + Course Features
 - + Industry Placement
 - + Athletic Development
 - + An allocated Student Success Mentor
 - + Outstanding Student Experience

Pathway Options

Students who have successfully completed the Diploma of Sport (Sport Development)/Diploma of Leadership and Management may be eligible to progress to a Swinburne degree, in a range of undergraduate courses such as Business, and Exercise and Sport Science. Eligible students may receive up to one year of credit. Please refer to the Swinburne website for detailed information on pathways.

Placement and Employment Opportunities

Richmond Football Club, its subsidiary company Aligned Leisure, and businesses in the Richmond Institute Sports Industry

Network are committed to providing real employment and placement opportunities.

Since 2017, there has been an 83% course completion rate. Students may continue into further study, with many finding employment opportunities at the Richmond Football Club, Richmond Institute, Aligned Leisure and several other workplaces within the sporting industry and our industry network.

Outstanding Student Experience

The focus is on growing students' character, resilience and confidence so that graduates are match fit, work ready and life ready! Students also have the

opportunity to gain extra qualifications including First Aid, ASCA Strength & Conditioning, Mental Health First Aid, ASADA Level 1 & 2, Sport Australia Coaching and Level 1 AFL.

Athletic Development

Students complete practical sessions each day and train in a high-performance environment with access to state of the art facilities and coaching.

Institute Ambassadors

A range of guest speakers, industry experts and formal ambassadors support and regularly participate as part of the program.
